

TKO DOCK
DOORS

WW Series WelterWeight

Impactable KnockOut Doors

TKO damage-resistant, industrial Knockout doors are designed to flex and knockout to minimize damage to the door panels and track when impacted. The TKO WW Series Welterweight door is designed to prevent damage to the door panels and track when impacted and includes a 2" thick insulated foam core panel.

WW Series WelterWeight Impactable KnockOut Door

The most versatile and cost-effective impactable door for facilities with:

- Moderate panel damage
- Moderate to severe track damage
- Budget sensitivity
- Higher windload requirements

CONSTRUCTION

- Full height 12 gauge galvanized steel track.
- 2" thick insulated, closed cell foam core panel with damage resistant polymer interior facing.
- Heavy-duty, retractable plungers allow door to release from the opening upon impact.
- Tight perimeter weatherseal incorporates a side brush seal and compression bulb seal to eliminate air infiltration and light gaps. Both are attached to the panel versus the door jamb, keeping it out of harms way to provide a consistent seal.
- 1 year material and workmanship warranty.

OPTIONS AND ACCESSORIES

Impact-A-Track™
Provides total protection against the most abusive impacts, available in 3', 6' or full height.
(5 year impact warranty)

Super Bottom Panel
Adds strength and durability where most impacts occur.
(2 year performance warranty)

Clear Vision Panel
21" high, 1-3/4" thick Clear Vision Panel that runs the full width of the door and provides full visibility outside the facility.

Double Knockout Header
Allows the door to knock out in both directions at the top of the door opening.
(vertical lift track only)

TKO Wind Load Package Sectional Knockout Door

The industry's most rugged door, providing total knockout protection for facilities with:

- Moderate to severe panel damage
- Moderate to severe track damage
- Hurricane susceptible locations

CONSTRUCTION

- Heavy-duty polymer interior skin.
- Full height 12 gauge galvanized steel track or full height reinforced Impact-A-Track™ that provides protection against the most abusive impacts from top to bottom.
- Heavy-duty, retractable plungers allow door to release from the opening upon impact.
- Slide locks with lockout pins, attached to the track, secure the door during high-wind events.
