MOBILE SHOWROOM

Don't Miss this "Once A Year" Special Event!

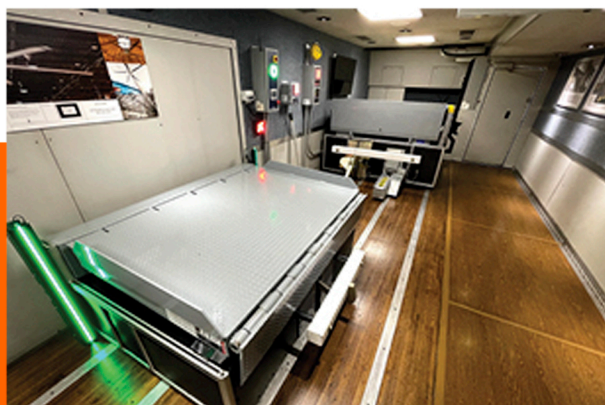

The Mobile Showroom is a custom 53-foot, completely enclosed and temperature-controlled trailer featuring more than 38 full-sized, functional equipment demo units comprising a complete portfolio of loading dock and warehouse solutions.

The mobile showroom provides an exciting and interactive setting for you and your team to view our entire offering of products and services. Seeing is believing – we hope you will take advantage of this opportunity!

Our mobile showroom will be at our facility in Grand Rapids, MI on September 28th - 29th.
